- 25X1 1. It is reported that from four to five hundred Russian Second Lieutenants
25X1 are now attending a special training school at the Russian barracks in
25X1 Burgas.
- 25X1 2. [REDACTED] the mine fields planted by the
25X1 Bulgarians and later by the Germans in the Black Sea are still in place.
It is rumored that the Russians have maintained these fields and that
they may even have placed some mines of their own. It is necessary to
have a Russian pilot on all ships calling at Varna or Burgas.
